

Great news!!

Two more rock trips have been added to the Arizona Rock Hound website.

The Superstition Marble trip is an easy trip into the gorgeous Superstition Mountains for Green, Brown, and red streaked marble. The material is very plentiful, but requires hard work to get the best material.

The Superior Serpentine trip is an even easier trip with the site less than 2 miles off of US 60 near Superior, AZ to obtain the green rock as well as some nice quartz and other material.

If you know of a trip that you would like to see documented let me know.

Please let me know if you experience any difficulty with the website or if you have suggestions for making improvements.
