

Hello,

WE NEED YOUR HELP AND THE TIME IS NOW! Help us transfer the state's mining and mineral collection to the Arizona Geological Survey from the AZ Historical Soc.

Please read carefully the attached ALERT on SB1200 and ACT NOW by writing to members of the House of Representatives and the Governor with your support of this bill.

Please share this and ask everyone you know to help.

Jan Rasmussen, former curator, has started uploading photos of the former Arizona Mining and Mineral Museum to a new website: www.MiningMineralMuseum.com

Thank you for your support
