

Members,

I am pleased to announce that with the approval of the AJRGC Board a link has been added to the Field Trip page within the members area of the website that will allow Club members to join the Arizona Rockhound website. Club members are being offered a 20% discount on the first year's subscription (normally \$19.99). AJRGC members can now obtain an 1-year subscription for \$15.99. Again, this rate is currently only available to Apache Junction Rock and Gem Club members and is only accessible through a link on the Field Trip Page of the member's section of the AJRGC website. This offer is just in time for the upcoming holiday season and the soon-to-be best rockhounding weather that anyone could ask for in Arizona!

Please have a look at the attached document for an overview of the features of the Arizona Rockhound website. Several AJRGC members have already have joined the website and I am pleased to say that I have received nothing but positive feedback about the site.

The is a dynamic website—I anticipate adding 3 or 4 new trips in the coming year, providing updates on existing trips, and continually improving the information contained on the website regarding rockhounding in Arizona. I am also currently exploring the addition of a user forum to the site that will allow members to share information about their Arizona rockhounding experiences.

If you have any questions about this AJRGC "club-member discount", please feel free to contact me via email at the email address below.

Happy Rock Hunting,

Rock Dog
