

Hello Members,

NEWS FLASH; there is now a link available at the top of the indices page that will take you to a page that shows all of the collecting sites on a Google map. This is the first page that you see after you login. Click on one of the red pens to see a photo of material at the site as well as a description of the site. This pop-up also has a white right arrow inside a blue circle just under the photo. Click on this arrow to go to the page about that collecting area.

Your comments and suggestions are always welcome.

Happy Rock Hunting,

Rock Dog
