

Dear Members.

The following website changes have been completed:

1. An update of the list of Rock Clubs open to public membership.

2. A review and update to the equipment required section.

<https://www.arizonarockhound.com/EquipmentNeeded.php>

3. Replaced the Menu system with a design that includes icons and works with PC, Tablet, and smartphones.

4. Changed the basic web design from a fix width to a responsive design that collapses as screen size decreases. This makes the website more compatible with tablets and smart phones.
