

Dear members,

BOX CANYON

I just visited this site and the roads are OK for 4X4. The County has built a new section of Price Road that travels south of the old road. Look for some large ceramic pots and a sign indicating the road leads to Box Canyon Road. I have updated the Topo Maps, Site Shots, and GPS waypoints for this trip.

DOBELL RANCH

After communicating with Noah Dobell the new owner of the DoBell Ranch, I have changed the site description. His price for a 5-gallon bucket is \$30.00.

SUPERIOR SERPENTINE

ADOT has completed four lane construction on the section of US 60 used to access this site. I have updated the Topo Map, Site Shots, trip directions, and GPS waypoints for this trip.

Happy Rock Hunting
